

The Pet Therapy inc. puppies continue to brighten our days...

Kathy Alexander and 'family' of Bichon Frise puppies have been visiting so that we can help "raise" the babies! (Right now they're in their "Elementary School" stage...learning everything they can...)

They're up for adoption (with a good sized donation). If interested call Kathy at 358-2225. They are being adopted fast...join us at 2:30PM in Cullers Hall for maybe our last 'playtime' with these 2 litters.

Also...Mindy Simmons and her Incredible Jazz Quartet will be presenting "A Tribute To Peggy Lee" as a Charity Benefit Concert benefiting Pet Therapy.

This will be on Saturday, November 4th, 2006, 7:00 to 9:00PM at Unity Church of Sarasota on 3026 Proctor Road, Sarasota. Tickets - \$25.00 donation - are available through Pet Therapy- 358-2225 or call Debbie in the Activity Services department.

Farm Days

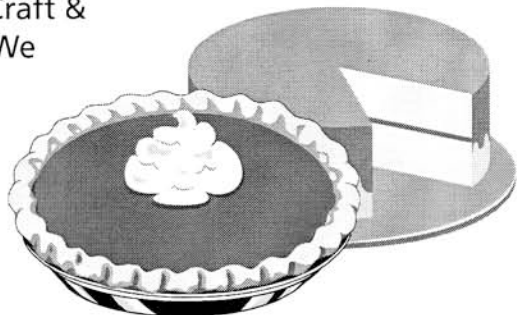

What fun we had watching, holding (and trying to hold) the baby goats and chickens from Rosieres September 12th. There was a big crowd with lots of smiles, laughter and amazement as the 4 baby goats and 3 chickens visited! Thank you Thrift Shop Board and Volunteers for funding this great event.

RESIDENT OF THE MONTH

JOHN SARKOZY

Born in 1922, John was one of 8 children born to Rosa and John Sarkozy. Originally from Hungary, John and his family immigrated to Bronx, New York in 1950.

Because John spoke minimal English (speaks Hungarian and German) it made it hard for him to find a job especially in his field of typewriter repairs. After making the factory rounds, John finally met a manager willing to give him a chance. John volunteered to work two weeks without pay to prove he could do the job. John went on to work for the box factory for the next 26 years.

In 1952, after 2 years of hard work (a schedule of 6 days a week), John bought a home and married his wife, Maria whom he met when

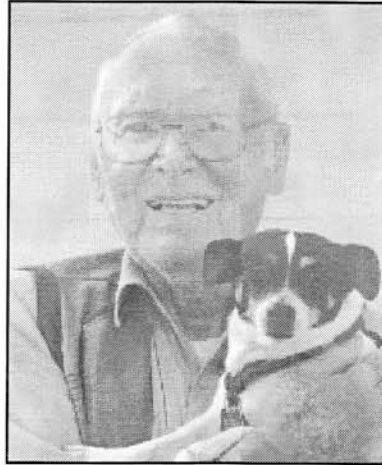

their two families starting playing cards. Maria and John had two sons.

In 1973, John and his wife moved to Sarasota where he spent the next 16 years working for the Sarasota school system. John's sons, his granddaughter and his great granddaughter, which are his pride and joy, also live in the Sarasota area.

As our resident handyman, you will see John and Lucy (his grand-dog) strolling around the campus visiting all their friends. When you do see John, please ask him about

his soccer days. It is a great story you will enjoy.

Congratulations to John for being chosen "Resident of the Month".

OCTOBER BRINGS HALLOWEEN FUN

We will be having a Halloween Magic Show on Tuesday 10/17 at 10:00AM. Of course, our Pines' Child Care friends will be joining us.

And it wouldn't be Halloween without our pre-school Trick or Treat Costume Parade on Halloween Day in Cullers Hall at 10:00AM

Also, on Tuesday, 10/31, our Circus Sarasota Laughter Unlimited clowns will be dressing and making us up for "Ghoulish Shots". Yes, this is an opposite take on our ever popular "Glamour Shots", but we can't be beautiful ALL the time.

Join us at 1:30PM to have your "Ghoulish" photo taken...or just to watch the fun!

POETRY IN MOTION RETURNS...

It's looking good for a grant to be providing this program collaborated by Pines and Florida Studio Theatre's Dance for Life Program. We'll be seeing Kelli four Tuesdays in October to 'catch up' and see how many routines we remember from May! 3:00PM in Cullers Hall.

Check your Pines Times calendar and, Activity Services staff will be reminding you. YEA!
