**From the Pet Therapy Dogs  
to the Pet Therapy Volunteers  
“Angels of Social Graces”**

“Our Volunteers go to help  
So we can go and play,  
With the elderly and ailing folks,  
And brighten up their day.

Our Volunteers help us out,  
As we go place to place.  
Spreading joy throughout the rooms,  
And loving face to face.

Our Volunteers are fabulous,  
In ways you may not know;  
For the gifts they get, as they give today,  
For years will grow and grow.

So we want to thank you from our hearts,  
With wagging tails and happy barks,  
For you have been to us you see,  
The angels we have been called to be.

We'll all get old someday, we pray...  
But not forgotten and shut away.  
So we'll sit on laps and kiss more faces  
And Thank You ...our Angels of Social Graces.

## **"The Clock of Life"**

**The Clock of life is wound but once  
And no one has the power,  
To know just when -  
the hands will stop,  
The minute or the hour.**

**Now is the only time you have,  
To Love, Laugh and Fulfill.  
Place no faith in Tomorrow,  
The clock of life may then be still.**
